

Pineapple Cheese Ball

Submitted by Carol Massey

2 8oz. pkg of cream cheese
1 small can crushed pineapple, drained
1/4 bell pepper, chopped fine
2 TBSP minced onion
1/2 teaspoon seasoned salt
1/2 cup chopped pecans

Mix together ingredients except for nuts. Form into desired shape and roll or cover with nuts. I scored it like a pineapple and put a real pineapple top on it. Serve with crackers. Yum!
